

Application for the Apprenticeship Completion Grant

At Service Canada, we administer the Apprenticeship Completion Grant (ACG). This document contains the form you need to apply for the grant. Please read these instructions carefully before filling out the form. You must complete your application, sign it in ink, and submit it to us with all the required supporting documents before we can process it.

What is the Apprenticeship Completion Grant?

The Apprenticeship Completion Grant is a \$2,000 taxable cash grant designed to encourage apprentices registered in a designated Red Seal trade to complete their apprenticeship program and receive their journeyman certification.

The ACG is meant to:

Provide a taxable grant of \$2,000 to those apprentices who successfully complete their apprenticeship program and become certified in a Red Seal trade, which is designated as such in the jurisdiction in which they became certified.

Increase the number of apprentices who complete their apprenticeship program and receive their journeyman certification in a designated Red Seal trade.

Am I eligible?

To be eligible for the ACG, you must be:

- a Canadian citizen, permanent resident, or protected person¹ as defined in the *Immigration and Refugee Act*;
- not a high school student (some exceptions may apply - please see "high school student" under "Definitions" on page 3);
- able to show you have completed an apprenticeship program in a designated Red Seal trade (please see "Supporting documents" on page 2); and
- able to show you are a certified journeyman in a designated Red Seal trade effective January 1, 2009 or after (please see "Supporting documents" on page 2).

You are **not eligible** for the ACG if you obtained your journeyman certification in one of the designated Red Seal trades without completion of an **apprenticeship program** in that trade.

¹Permanent Residents and Protected Persons must include a copy of their status documents from Citizenship and Immigration Canada.

How do I apply?

Send your completed application, along with proof that you completed an apprenticeship program and are certified in a designated Red Seal trade, to the appropriate Service Canada Processing Centre listed on page 5.

Is there a deadline?

Yes. You must submit your completed application by **June 30** of the calendar year after the year you obtain your certification. For example, if you completed your apprenticeship program and became a certified journeyman in a designated Red Seal trade in February 2012, you have until June 30, 2013, to submit your application.

What is the maximum amount I can receive?

The grant is taxable and has a lifetime maximum of \$2000 per eligible journeyman.

Payments made, through a cheque or direct deposit, to eligible recipients will be made in a lump-sum payment upon approval of the application and verification of successful apprenticeship training completion and certification of a designated Red Seal apprenticeship program and in receipt of a provincial or territorial certificate of qualification as prescribed by the apprenticeship authority in the province or territory in which the applicant completed the apprenticeship program and was certified. Eligibility of applicants is also subject to the authentication of identity, verification of the applicant's completion of an apprenticeship program and certification, determination of whether the applicant has already received the maximum payment under the ACG and receipt by the appropriate Service Canada Processing Centre of required supporting documents.

Conflict of Interest

If you are a Member of the House of Commons, you are not eligible to receive the Apprenticeship Completion Grant.

Maximum Amount Payable

The ACG will provide a one-time taxable cash grant of \$2,000 to applicants who successfully complete an apprenticeship program and become certified in one of the Red Seal trades. There is a lifetime maximum amount of \$2,000 per recipient.

Payment Subject to Appropriation of Funds by Parliament

Any payment payable to you under this grant application is subject to the appropriation of funds by Parliament for the fiscal year in which the payment is to be made and to the maintenance of current and forecasted funding allocation levels for the Apprenticeship Completion Grant.

If the Government of Canada were to cancel this program or reduce its level of funding, HRSDC could elect not to pay the grant or to reduce the amount of the payment.

Taxable Income

Under the Income Tax Act the grant paid to you is taxable. It will therefore be included as income for income tax purposes.
