**Metal Building System Erectors (MBSE) Division of
Iron Workers (Saskatchewan) Local Union 771
Central Welfare Trust Fund**

We are pleased to present this updated booklet describing the current benefits and provisions of the Health and Welfare Plan. We urge you to read your booklet carefully to thoroughly familiarize yourself with the benefits that are available to you and your dependents.

The Extended Healthcare, Visioncare, Prescription Drugs, and Dentalcare Expense Benefits are designed to assist you with the payment of these expenses. It may not pay the total cost of services and supplies. In effect, this Group Insurance Plan shares the payment of your medical and dental bills with you. These Benefits are underwritten on a self-insured basis by the Trust Fund while the Pay Direct Drug Card is coordinated with TELUS and the Weekly Disability Income benefits are also self-insured by the Trust Fund. The Travel Medical Emergency Benefits are underwritten by AIG Insurance Company, Accidental Death and Dismemberment coverage via Chubb Life, and the Life, Dependent Life, Long Term Disability benefits by Sun Life Financial.

The Plan Administrator is Coughlin & Associates Ltd., PO Box 764, Winnipeg, Manitoba, R3C 2L4. If you have any questions concerning your benefits or claim procedures, please contact either the Local Union 771 office or the Plan Administrator for this information.

Please note that it is the intention of the Trustees to maintain the current benefits available under the Welfare Plan. The Trustees however, reserve the right to change the benefit portfolio at any time given legislative revisions and/or the utilization costs of the benefits. Insured Participants will be advised accordingly of any required plan revisions.

We are pleased to make these arrangements on your behalf and are certain that your participation in the Plan will bring greater security and peace of mind to you and your family. We wish you continued good health.

Sincerely,

The Board of Trustees of the
Iron Workers (Saskatchewan) Local Union 771
Central Welfare Trust Fund

Eligibility Insured Participants and Families

Refer to Coughlin Care Gold section.

General Information

The Plan is administered by the Board of Trustees who retains the services of Coughlin & Associates Ltd., to perform this function.

An account is kept, by the Plan Administrator for each eligible Participant which shows hours worked for a certified Employer for which contributions have been made for the purpose of Group Insurance. This account is called an **Hour Bank Account**.

Please note that for Union Staff, the hours worked will equate to the monthly deduction (see below), as there can be no accumulation of hours worked.

Initial Eligibility

Membership in the Plan for Life, Accidental Death and Dismemberment, and Member Family Assistance Program Insurance is open to all Participants (see Eligible Participants section) who are actively employed by a certified Employer or Local Union 771.

A Participant must join the Plan for Life and Accidental Death and Dismemberment **on the date active employment commences**.

Eligibility for Dependent Life, Weekly Disability Income, and Long Term Disability Insurance will commence on the **first day following the date you have accumulated 405 bank hours worked**.

Subsequently, eligibility for all other benefits will commence **on the first day of the month following receipt of 405 bank hours worked by the Administrator**.

If a Participant is unable to work when coverage is to become effective, the effective date of coverage will be postponed until the Participant is able to work.

An enrollment form must also be completed to be eligible to receive benefits.

Ongoing Eligibility

Each month 135 hours (monthly deduction) will be deducted from each Participant's Hour Bank Account. Only a Union Member may

accumulate up to 1,215 hours (enough to provide nine (9) months of coverage even though they may not work any hours during that period) in their Hour Bank Account. Excess hours accumulated over 1,215 hours will be credited to the general reserves of the Fund. Furthermore, although a Probationary Member can accumulate hours worked in excess of the monthly deduction upon the date of cessation of employment or lay-off, the balance in the Hour Bank Account is forfeited to the general reserves of the Fund unless the Probationary Member becomes a Member in good standing with the Local Union 771.

Eligible Participants

Under this Plan, the following Participants, provided they are declared residents of Canada, are eligible for coverage:

Union Member

A Member in good standing with the Local Union 771 on whose behalf contributions are made to the Iron Workers' Local Union 771 Central Welfare Trust Fund.

Probationary Member

Employees of certified Employers on whose behalf contributions are made to the Iron Workers Local Union 771 Central Welfare Trust Fund but are not members of the Local Union 771 or any reciprocating local will be eligible for benefits under this Plan while working for a certified Employer, however, benefit coverage will cease immediately upon the date of lay-off or cessation of employment unless the individual becomes a Member in good standing with the Local Union 771.

Retired Member

A Union Member is considered retired when he has attained early retirement (age 55 or older) and has either withdrawn his funds from the Pension Trust Fund, or has indicated in writing to the Local Union 771 of his retirement from the Trade. When a Union Member has retired, benefit coverage (excluding disability (WI and LTD)) subject to benefit age parameters will continue until the earlier of the benefit age restriction or depletion of the Member's Hour Bank Account. Furthermore, Extended Healthcare, Prescription Drugs, Visioncare, Dentalcare (ceases at age 70, and Travel Medical Emergency (ceases at age 75), may be extended to age 75 via self-pay, as long as the Retired Member remains in good standing with the Local Union 771.

Eligible Dependants

Your eligible dependants consist of:

- Your spouse, or a person of the opposite sex or same sex who is living in a conjugal relationship for a minimum period of twelve (12) consecutive months immediately prior to the date on which a claim arose. Divorced or separated spouses (with or without a court order or separation agreement) are **not** eligible for coverage.
- Your unmarried children from birth to 20 years of age inclusive. As well, dependants age 21 to 25 provided they are in full time attendance at a University or similar institution (evidence of attendance will be required).
- Stepchildren, and legally adopted children may be included the same as your own children provided they depend upon you for support and maintenance.
- A child who is physically or mentally incapable of self-support beyond the limiting age may be continued under the Healthcare insurance while remaining incapacitated and unmarried subject to your own coverage continuing in effect. To continue a child under this benefit provision, proof of incapacity must be received by the Insurer within 31 days after dependent coverage would otherwise terminate. Additional proof may be required from time to time.

IMPORTANT: PLEASE REPORT ALL CHANGES OF BENEFICIARY, DEPENDENT STATUS, AND ADDRESS TO THE PLAN ADMINISTRATOR AS SOON AS POSSIBLE

Survivor Benefit Provision

If your death occurs while you are insured, the Extended Healthcare, Visioncare, Dentalcare, Prescription Drugs, and Travel Medical Emergency coverage for eligible dependants shall continue without premium payment up to a maximum of 24 months from the date of death.

Reinstatement of Insurance

If your insurance had previously terminated because of insufficient hours in your Hour Bank Account, and you have not been out of benefit for a period exceeding 9 consecutive months, you will again become insured on the first day of the month after the accumulation of 270 hours in your

Hour Bank Account. Otherwise, you will have to meet the original eligibility requirements as though you were a new Participant in the Plan.

Changes in Insurance Benefits

Any changes in the amount of your insurance shall become effective on the date of such change provided that you are actively at work on the date of the change; otherwise, the increase shall become effective on the first day thereafter on which you are actively at work.

If your insurance benefits change because of an amendment to the Plan, or because of a change in your age, class, earnings, dependent status, etc., the new benefits become effective on the date the change affecting your benefits occurred.

When a change results in increased benefits, you must be actively at work for an eligible Employer to be eligible for the new benefits. If you are not at work for an eligible Employer on the date the new benefits would otherwise become effective, the change will not become effective until you return to work for an eligible Employer. Increased benefits for a dependent confined in hospital on the dates the new benefits would otherwise become effective do not become effective until he or she is released from the hospital. In any case, payment for services and supplies received before the date of an increase in benefits will always be based on plan benefits in effect before the change.

Termination of Insurance

The insurance for yourself and your dependants will terminate:

- **For a Union Member**, at the end of any month when you do not have at least 135 hours in your Hour Bank Account. However, a Union Member may arrange to have his insurance continued for as long as twelve (12) months on a self-paying basis. Please contact your Plan Administrator for the required self-pay amount.
- **For a Probationary Member**, immediately upon the date of cessation of employment or lay-off, or disability (certain provisions may apply, contact the Plan Administrator for more details). Probationary Members are not eligible to make self-payments.
- **For a Retired Member**, no later than age 75 if self-paying for Extended Healthcare, Prescription Drugs, Visioncare, Dentalcare (ceases at age 70), and Travel Medical Emergency (ceases at age 75)

or depletion of his accumulated Hour Bank Account, as long as he remains a Member in good standing with the Local Union 771. Please note disability coverage is excluded for Retired Members.

- For specific benefits, if you reach the benefit age restriction;
- If you cease to be a Participant in the eligible class;
- If you enter military service;
- If the Group Policy terminates;
- Under the Survivor Benefit provision, if the deceased Participant no longer has any qualified survivors because of legal separation, divorce, death or attainment of the age limit;
- Extended Healthcare, Prescription Drugs, Visioncare, Dentalcare, and Travel Medical Emergency coverage for a dependant, if he/she is no longer an eligible dependant.

Self-Pay Provision

Union Members and Retired Members are eligible to self-pay to continue benefit coverage.

If there are insufficient hours (i.e. due to a lay-off) in a Union or Retired Member's Hour Bank Account to make the monthly deduction for benefit coverage, a Union or Retired Member will be allowed to continue his coverage by making a self-payment (direct contribution) to the Fund. For Union Members, such self-paid contributions must be continuous and consecutive for a period not to exceed twelve (12) months. For Retired Members, self-paid contributions must be continuous and consecutive up to age 75 for Extended Healthcare, Dentalcare, Prescription Drugs, Visioncare (ceases at age 70), and Travel Medical Emergency (ceases at age 75) benefits only. The payment must be made prior to the 22nd of the month following the month in which the Hour Bank Account falls below 135 hours. If you do not remit your self-payment by the required date, your insurance will be terminated without further notification as identified in the Termination of Insurance section of this booklet.

Eligibility to self-pay is contingent on the Participant being in good standing with Local Union 771.

Probationary Members are not eligible to extend coverage through self-payment.

Monthly Statements

Each month a statement is mailed to each insured Member. This statement will show your benefit status, your Employers or self payment contribution, your previous Hour Bank Account balance and your current Hour Bank Account balance. It should be noted that an amount (135 hours) is deducted from your Hour Bank Account balance each month to pay the premium for your coverage.

For Union or Retired Members, if you have insufficient hours in your account, the statement will show the amount required for you to pay on the “self-pay basis”. If the required amount is not paid, the next statement will show you as being out of benefit with a final option to self-pay. Your coverage will not become effective until you have satisfied the reinstatement requirements (see Reinstatement of Insurance section).

In order to assure yourself of receiving this statement regularly it is necessary to inform the Plan Administrator of any change of address.

Disability Claims

All disability claims should be recorded with the Plan Administrator (Coughlin & Associates Ltd.) and the Insurer (Sun Life Financial and Chubb Life) regardless of whether or not you are eligible to receive Workers’ Compensation, Auto Insurance or E.I. Disability Benefits. This recording will assist you should your claim with these agencies be declined either immediately or at a future date. In addition, proper application will be made relative to a Waiver of Life Insurance and AD&D Premiums which is required within twelve (12) months of the date of initial disability.

Extension of Coverage

If a Union Member is disabled and receiving disability payments for a period of three (3) consecutive months following the month of disability and the Union Member has maintained continuous eligibility status for benefits by either running out his Hour Bank Account or making self-payments during this three (3) month period, the Trust Fund will extend coverage for all benefits for an additional nine (9) months (if the Union Member is continuously disabled for this period) with the appropriate

insurance premiums assumed by the Trust Fund. If the Union Member continues to receive disability benefits after this twelve (12) month period, Extended Healthcare, Visioncare, Dentalcare, Prescription Drug (ceases at age 70), and Travel Medical Emergency (ceases at age 75), coverage will be further extended to the earlier of an additional two (2) years, attainment of age 65, or retirement, with all insurance premiums assumed by the Trust Fund. Following the three (3) year subsidization period of benefits (Visioncare, Dentalcare (ceases at age 70), and TME (ceases at age 75), Hearing Aids, and Drugs) and depletion of the disabled Member's Hour Bank Account, the disabled Member will be eligible to continue coverage on a self-pay basis to age 75 provided he/she remains disabled (receiving disability benefits from a Long Term Disability Plan, Provincial Automobile Insurance Program, Workers Compensation, or if a Life Waiver is in place) and in good standing with the Local Union 771. Will be reviewed on a yearly basis to confirm disabled. Regardless of the above, this extension of coverage is subject to the financial stability of the Plan and review by the Board of Trustees from time to time.

Wage Loss Provision (Union Members Only)

In the event that a Union Member incurs a total disability while insured but on layoff or leave of absence and “running down” his Hour Bank Account during self-pay period, the plan will recognize the Union Member's disability for wage loss benefits (WI and LTD) from the scheduled date of return to work, provided the Union Member is then totally disabled and submits an attending physician's statement certifying continued disability.

Reciprocal Agreements

Local Union 771 Members – Union Members working in a jurisdiction other than Local Union 771 and on whose behalf contributions are being made to a Health and Welfare Trust Fund which has entered into a reciprocal agreement with Iron Workers (Saskatchewan) Local Union 771 Central Welfare Trust Fund should complete a Transfer Authority form and advise the Union or Plan Administrator to reciprocate contributions to the “Home Fund”. This will maintain coverage under the Iron Workers (Saskatchewan) Local Union 771 Central Welfare Trust Fund.

Travel Card Member - Employees of Employers on whose behalf contributions are made but who are Member's of other Local Unions or Funds and whose Funds have entered into reciprocal agreements with the Iron Workers (Saskatchewan) Local Union 771 Central Welfare Trust Fund will not be eligible for benefits but will have all contributions made

on their behalf reciprocated to their “Home Fund” after they complete the Transfer Authority form available at Local Union 771 office.

Third Party Liability

If a Participant or dependant has the right to recover damages from any person or organization with respect to which benefits are payable by the Insurer, the Participant will be required to reimburse the Insurer in the amount of any benefits paid out of the damages recovered.

The term **damages** will include any lump sum or periodic payments received with respect to (1) past, present or future loss of income, and (2) any other benefits, otherwise payable by the Insurer.

If a Participant or dependant receives a lump sum payment under judgment or settlement for benefits which would otherwise be payable by the Insurer, no further benefits will be paid by the Insurer until the benefits that would otherwise be payable equal the amount of the lump sum.

If a claim for damages is settled before trial, you will be required to reimburse the Insurer the amount that reasonably reflects the loss of benefits that would otherwise be payable by the Insurer.

A Participant or dependant must notify the Plan Administrator of any action commenced against a third party and of any judgment or settlement in the circumstances described above.

Life Insurance for Participants

The amount of your Life Insurance benefit will be paid to your beneficiary upon your death, regardless of the cause.

When you enroll in the Plan, you should name a beneficiary to whom you wish your Life Insurance proceeds paid. Your estate will be your beneficiary if you do not name one. Subject to provincial laws, you may change your beneficiary at any time. Your Plan Administrator or Local Union Office will have the appropriate form to make such a change.

Amount of Benefit

As a Participant of the Plan, you are entitled to an amount of Life Insurance equal to outlined in the Highlight of Benefits section.

Coverage Ceases

For Union Members, Life Insurance coverage terminates following depletion of your Hour Bank Account and/or self-pay period. For Retired Members, coverage terminates following Hour Bank Depletion. For Probationary Members, coverage terminates on the date of cessation of employment or lay-off.

Waiver of Premium for Disability

If you become totally disabled before age 65, your Life Insurance coverage may be continued without payment of premiums, until you cease to be totally disabled or you reach the age of 65, whichever occurs first. After you have been totally disabled for at least six (6) months, you must submit the appropriate claim forms. **These claim forms must be received by the Plan Administrator and subsequently Sun Life Financial** within twelve (12) months of the date of disability. Your premiums will be waived following six (6) continuous months of total disability. Proof of a continuing disability may be required from time to time.

Disability is considered total when it prevents you from performing your regular duties during the qualifying period and the first two (2) years that you are entitled to disability payments. If you are still disabled at the end of this time, disability is considered total when it prevents you from performing any work where the requirements are within the range of your education, training or experience.

If you recover and return to work, but the same disability recurs, it will be considered a continuation of the previous disability if the period between disabilities is less than six (6) months. A recurrence of disability due to an unrelated cause will be considered a new disability if you have worked at least one (1) day between disabilities.

If you are also insured for group Long Term Disability Insurance with Sun Life Financial, total disability will be as defined under the Long Term Disability Insurance. You will only need to submit the claim forms for Long Term Disability Insurance. Premiums for both benefits will be waived when you begin receiving group Long Term Disability payments.

Premiums will not be waived if, within twelve (12) months of joining the Plan, you become totally disabled due to a condition which originated twelve (12) months prior to joining the Plan. This restriction will not apply if after becoming insured you have completed three (3) months of employment without any absence due to such condition.

Conversion Privilege

If your Life Insurance coverage terminates because you change jobs or retire, you may convert up to the full amount of your Group Life Insurance to an individual whole life or a convertible one-year term plan or a term to age 65 plan without submitting evidence of insurability. The premium rate will be determined from your age and class of risk at the time of conversion. Should you die within 31 days after your insurance terminates, an amount equal to your Group Life Insurance benefit will be paid whether or not you have applied for a converted policy.

Dependent Life Insurance

Amount of Benefit

If one of your dependants dies, Sunlife Financial will pay you the Dependent Life Insurance as outlined in the Highlight of Benefits section.

Coverage Ceases

For Union Members, Dependent Life Insurance coverage terminates on your retirement following depletion of your Hour Bank Account. For Probationary Members, coverage terminates on the date of cessation of employment or lay-off.

Waiver of Premium for Disability

If you become totally disabled before age 65, the Dependent Life Insurance may be continued without payment of premiums the same as your Life Insurance.

Conversion Privilege

If your spouse's insurance terminates she/he may be eligible to apply for an individual conversion policy without providing proof of insurability. Your spouse must apply and pay the first premium no later than 31 days after your Group Insurance terminates.

If the body of an Insured Person has not been found within 1 year of disappearance, stranding, sinking or wrecking of the conveyance in which an Insured Person was riding at the time of the accident, it shall be presumed, subject to all other conditions of the policy, that an Insured Person suffered a loss of life resulting from bodily injuries sustained in the accident covered under the policy.

Conversion Privilege

On the date of termination of employment or during the 31-day period following termination of employment, an Insured Person may convert his or her insurance to an individual ACCIDENTAL DEATH and DISMEMBERMENT only insurance policy of Chubb Life. The individual policy will be effective either as of the date that the application is received by Chubb Life or on the date that coverage under the group policy ceases, whichever occurs later. The premium will be the same, as a person would ordinarily pay when applying for an individual policy at that time. Application for an individual policy may be made at any office of Chubb Life. The amount of insurance benefit converted shall not exceed that amount issued during employment up to an all policies combined maximum of \$200,000. The individual policy will cover ACCIDENTAL DEATH and DISMEMBERMENT only.

Benefits payable under this section will be limited to only one (1) policy in the event the benefits are contained in two (2) or more policies issued to the Policyholder by Chubb Life (not applicable to the Schedule of Losses, Exposure and Disappearance and Conversion).

Waiver of Premium

If an Insured Employee, under age 65, becomes totally disabled for 6 consecutive months and an Insured Employee provides evidence of total disability satisfactory to Chubb Life, Chubb Life will then waive the payment of each premium which falls due with respect to an Insured Employee and any Insured Dependents. Subject to all the terms and conditions of the policy, waiver of any premium as herein provided will continue with respect to an Insured Employee until age 65 or earlier

termination of the policy. If an Insured Employee ceases to be disabled and an Insured Employee returns to employment with the Policyholder and is a member of an eligible class, insurance with respect to an Insured Employee may be continued upon resumption of premium payments by an Insured Employee or the Policyholder.

If after 120 days, an Insured Employee receives approval of any long term disability claim provided under a policy of group insurance through the Policyholder, Chubb Life will then waive the payment of each Accidental Death and Dismemberment insurance premium subject to the terms stated above.

Recurrent Disabilities

When an Insured Employee becomes totally disabled again from the same or related causes within 6 months of cessation of the Waiver of Premiums, then all such recurrences will be considered a continuation of the same disability and Chubb Life will waive the 6 months qualification period.

If the same disability recurs more than 6 months after cessation of the Waiver of Premiums, such disability will be considered a separate disability. Two disabilities which are due to unrelated causes are considered separate disabilities if they were separated by a return to work of at least one 1 day.

Termination of Waiver of Premium

Waiver of Premiums will cease on the earliest of:

- a) the date an Insured Employee ceases to meet the policy's definition of totally disabled;
- b) the date an Insured Employee does not supply Chubb Life with appropriate medical evidence as deemed necessary by Chubb Life;
- c) the date an Insured Employee is no longer receiving regular, ongoing care and treatment of a Physician appropriate for the disabling condition, as determined by Chubb Life;
- d) the date an Insured Employee does not attend a medical, psychiatric, psychological, functional, educational and/or vocational examination evaluation by an examiner selected by Chubb Life;

- e) the date the policy terminates;
- f) the date an Insured Employee turns 65; or
- g) the date an Insured Employee dies.

Coverage During Waiver of Premium

While premiums are being waived, Basic Accidental Death and Dismemberment Insurance under the policy on an Insured Employee will continue to be in force. The amount of such insurance will be the amount of insurance that was in effect on the date of commencement of the disability, subject to any age reduction or termination shown in the policy.

“Totally Disabled or Total Disability” with respect to Waiver of Premium means disability resulting from injury or sickness which prevents engagement in an Insured Employee’s regular occupation for 6 consecutive months.

Funeral Benefit

When injuries covered by this policy result in loss of life of an Insured Person within 365 days from the date of the accident, Chubb Life will pay the actual expense incurred for preparing the deceased for burial or cremation but shall not exceed \$5,000.

The plan does not cover any loss, which is the result of:

1. intentionally self-inflicted injuries, suicide or any attempt thereat, while sane or insane;
2. declared or undeclared war or any act thereof;
3. travel or flying in an aircraft owned or leased by the Policyholder, an Insured Person or a member of an Insured Person’s household, or aircraft being used for any test or experimental purpose, firefighting, power line inspection, pipeline inspection, aerial photography or exploration;
4. losses occurring while an Insured Person is serving on full-time active duty in the Armed Forces of any country or international authority (any premium paid to be returned by Chubb Life pro-rata for any such period of full-time active duty);

5. travel or flight in any vehicle or device for aerial navigation; except to the extent such travel or flight is provided in the “Hazards Insured Against” section of the Accidental Death & Dismemberment portion of the policy.

WEEKLY DISABILITY INCOME FOR PARTICIPANTS

In the event you become totally disabled due to an injury or illness you will receive a disability benefit provided you are under the continual treatment of a qualified and licensed physician (Medical Doctor).

All Disability claims should be recorded with the Plan Administrator (Coughlin & Associates Ltd.) and the Insurer (Sun Life Financial) regardless of whether or not you are eligible to receive Workers' Compensation, Auto Insurance or E.I. Disability Benefits. This recording will assist you should your claim with these agencies be declined either immediately or at a future date. In addition, proper application will be made relative to a waiver of Life Insurance Premiums which is required within twelve (12) months of the date of initial disability.

Benefits for any one disability are payable from the 1st day of disability for injury and the 8th continuous day of disability for illness. **But in no event prior to the first day of visit to your doctor.** Your benefit will be payable for not more than 52 weeks during any one period of disability, except as outlined in the Highlight of Benefits section.

Note: Any benefits collected are taxable and must be reported as income.

Totally disabled shall mean the Participant is incapacitated to the extent that the Participant is not able to perform all of the usual and customary duties of his/her occupation. A Participant is not considered totally disabled unless he/she is under the active and continuous care of a physician and is following the treatment prescribed by the physician for that disability.

If following a period of disability you return to active work for at least two (2) weeks, a recurrence of this disability will be considered a new period of disability.

Amount of Benefit

As a Participant of the Plan, you are eligible for an amount of weekly disability income as outlined in the Highlight of Benefits section.

If you are receiving other forms of retirement income or disability income, the weekly benefit under this plan will be reduced so that the disability income which you receive from all sources does not exceed 100% of your regular weekly earnings at the time you became disabled. Benefits payable under any individual disability income policy or rider attached to an individual life insurance policy will not be included as disability income.

For Union Members, Weekly Disability Income coverage terminates on your retirement. For Probationary Members, coverage terminates on the date of cessation of employment or lay-off.

Benefits are not payable for:

- disability resulting from an intentionally self-inflicted injury;
- disability resulting from voluntary participation in a war, riot, insurrection or criminal offence;
- the portion of a period of disability during which a Participant is receiving Workers' Compensation benefits; unless proof is submitted to the Insurer that the Participant has been disqualified for such benefits.
- for the portion of a period of disability during which the Participant is unable to earn income due to:
 - a) imprisonment in a penal institution; or
 - b) confinement in a hospital, or similar institution as a result of criminal proceedings;
- during any leave of absence (including maternity leave) as defined below.

Leave of Absence shall mean a period of time away from work mutually agreed to by the Employer and Participant. In the case of maternity leave of absence, the leave shall begin on the earliest of

- i) the elected start date of the maternity leave,
- ii) the date of delivery or

- iii) the date the Employer may require the leave of absence to commence if the Participant's performance is affected by the pregnancy.

Such leave shall terminate on the later of the date defined by Provincial or Federal Statute, or the date agreed to between the Employer and Participant.

Offsets

The amount of any benefit payable under this coverage shall be reduced by any income or benefit payable under:

- a) any other plan or program provided to the Participant by or through the Employer;
- b) any other plan or program of any government or the crown or of any subdivision of the government or the crown, including any plan or program established pursuant to a provincial automobile insurance act.

Notwithstanding the above, the Weekly Disability Income benefit will not be payable if a Participant is eligible for payments as a result of coverage from a Provincial Automobile Insurance Program.

If a Participant is receiving any income or benefit payable under any government plan or program of an injury or disease totally unrelated to the injury or disease that caused the current disability, the Insurer shall not reduce the weekly benefits by that amount.

Long Term Disability Insurance for Participants

If you become totally disabled before you reach age 65 and are unable to work, you are eligible for a monthly disability benefit. Although it is not necessary for you to be confined to your house during the entire period of your disability, you must be under the care of a physician.

Description of Benefit

You will begin receiving disability payments after you have been continuously and totally disabled for a qualifying period of 52 weeks and your salary continuance plan (i.e. Weekly Disability Income) has expired. Payments are made at the end of each month and continue as long as you are totally disabled, even if the Group Policy terminates, but not beyond the date that you reach 65 years of age. During any period of disability payments, premiums will not be required.

Disability is considered **“total disability”** when it prevents you from performing your regular duties during the qualifying period and the first two (2) years that you are entitled to disability payments. If you are still disabled at the end of this time, disability is considered **“total disability”** when it prevents you from performing any work where the requirements are within the range of your education, training or experience.

If you recover and return to work, but the same disability recurs, it will be considered a continuation of the previous disability if the period between disabilities is less than one (1) month during the qualifying period or less than six (6) months during the period when disability payments are being made. A recurrence of disability due to an unrelated cause will be considered a new disability if you have worked at least one (1) day between disabilities.

Amount of Benefit

As a Participant of this Plan, you are eligible for an amount of monthly disability income as outlined in the Highlight of Benefits section.

It should be noted that the disability payment from this plan may be adjusted so that the monthly disability and retirement income which you receive from all sources does not exceed 85% of your pre-disability earnings (earnings are net of income tax for non-taxable benefits).

For Union Members, Long Term Disability Insurance coverage terminates upon attainment of age 65 or retirement whichever occurs first. For Probationary Members, coverage terminates on the earlier of age 65 or date of cessation of employment or lay-off.

All sources of total Monthly income includes:

- a) Long Term Disability benefits under this Plan;
- b) Income or benefits specified below, including any income or benefit from a different or lesser paid occupation;
- c) Income from the Program of Rehabilitation.
- d) Income payable to the Participant under a pension or retirement plan of the Employer, or any plan or arrangement resulting in the payment of any salary, wage or other payment by the Employer to the Participant during the total disability;
- e) Income or benefit payable under:
 - a) any other plan or program provided to the Participant by or through the Employer. Such plan or program includes any permanent and total disability benefit of Group Life Insurance for which the Participant could have elected not to apply.
 - b) any Workers' Compensation law or similar law;
 - c) the Canada Pension Plan or Quebec Pension Plan primary benefits.
 - d) any other plan or program of any government or the Crown or of any subdivision or agency of the government or the Crown, including any plan or program established pursuant to the provincial Automobile Insurance Act. The Insurer shall not reduce the monthly benefit in respect of benefits payable by the Employment Insurance Commission.

A Participant must apply for all benefits or income for which he/she may become eligible under any of the preceding sources.

If a Participant is receiving any income or benefits payable under any government plan or program for an injury or disease totally unrelated to the injury or disease that caused the current disability, the Insurer shall not reduce the gross monthly benefit by that amount.

This benefit is taxable to the receiving Participant.

Subrogation

If a Participant is entitled to recover compensation for loss of income from a third party as a result of the incident which caused or contributed to the disability, for which benefits are paid or payable, the Insurer will be surrogated to all rights of recovery of the Participant for loss of income, to the extent of the sum of benefits paid or payable by the Insurer. The Participant shall execute such documents as required by the Insurer.

In the event that the insured Participant provides proof to the Insurer that the said Participant has not recovered full compensation for loss of income, the Insurer shall determine the proportion of damages actually recovered and share pro rata in that amount.

Should the Participant choose to settle the matter prior to judicial determination, the Participant understands that the sum reached in settlement will be deemed to be full compensation for loss of income, and the Insurer's right of subrogation will apply.

The term compensation shall include any lump sum or periodic payments which the Participant receives or is entitled to receive on account past, present or future loss of income.

Waiver of Premium

The Insurer will waive the payment of premiums for the Long Term Disability Insurance for each Participant who is receiving benefits under this coverage. Premiums will be waived beginning with the premium for the first full policy month for which benefits became payable and continuing for each full policy month for which benefits are payable.

Rehabilitation

As your condition improves, if it does not allow you to return to your job on a full-time basis, you might be able to work on a part-time basis or take a less demanding job. Inform Sun Life Financial of this and it may qualify as a rehabilitation program. If it does, you will continue to receive your

regular monthly disability benefit less 50% of your monthly earnings, during your rehabilitation.

If Your Long Term Disability Terminates

If the Long Term Disability insurance coverage terminates while you are totally disabled, you will continue to be eligible for this benefit as if it were still in force.

Exclusions and Limitations

The Long Term Disability benefit is not payable if your disability results from:

- intentionally self-inflicted injuries;
- civil disorder or war;
- the use of drugs or alcohol unless certified as being actively supervised by and receiving continuing treatment from a rehabilitation centre or a provincially designated institution;
- any condition which originated 12 months prior to joining the plan where disability commences within 12 months of joining the plan, except if after becoming insured you have completed 3 months of employment without any absence due to such condition.

You are not considered totally disabled unless you are under the active and continuous care of a physician whom Sun Life considers to be appropriate to your total disability and you are following the treatment prescribed by the physician for that disability.

Co-Ordination of Benefits

If you or your dependants are insured for similar benefits under another Plan (e.g. Group Life and Health Program, or other arrangements covering individuals in a group), Sun Life Financial will take this into account when determining the amount of expenses payable under this Plan.

This process is known as Co-ordination of Benefits. It allows for reimbursement of insured medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the “Primary Carrier” (i.e. responsible for making the initial payment toward the eligible expense), and which Plan is considered as the “Secondary Carrier” (i.e. responsible for making the payment to cover the remaining eligible expense).

- If your Spouse’s Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.
- If your Spouse’s Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- **For Claims incurred by you or your Dependent Spouse:**

The Plan insuring you or your Dependent Spouse as an Employee/Participant pays benefits before the Plan insuring you and your Spouse as a dependant.

In situations where you or your Spouse have coverage as an Employee/Participant under more than one (1) Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then

- The Plan where the person is covered as an active part-time employee, then
- The Plan where the person is covered as a retiree.

- **For Claims incurred by your Dependent Child:**

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays the benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your Spouse are separated or divorced, the following order applies:

- the Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e. if the parent with custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e. if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the Dependent Child).
- If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

- As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.

- Submit all necessary claim forms and original receipts to the Primary Carrier.
- Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.
- Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment if applicable.
